

employee engagement

How it works:

- 1-800# or web address given to employees
- Employees call-in or go online to take a survey about their opinion and/or satisfaction at work
- Results are analyzed and reported in a final presentation
- Results are then tracked and benchmarked on a yearly basis

Benefits:

- Convenient for employees (phone, mobile, or online)
- Inexpensive
- Anonymous feedback
- Global solution that can be utilized in all countries and languages
- Allows you to react and improve the work environment quickly
- Track your employee satisfaction over time and benchmark results
